

CANect® Marketplace

Manage Recurring Revenue. Gain Internal Efficiencies.

CANect® Marketplace is a full life-cycle monetization platform to help you manage the complex tasks of recurring revenue and billable transactions.

Onboard orders up to 75% faster

Self-serve activation and provisioning allows for services to be up and running in less than 5 minutes - unlock new revenue opportunities and monetize new releases quickly!

Reduce invoicing hours by up to 80%

Save countless human resource hours by automating and simplifying complex recurring billing, usage and subscription management.

Avoid up to 5% of EBITDA leakage

Transparent contract-based workflows and accounts receivable oversight allows for reduced revenue leakage.

Virtually eliminate human errors

Remove the risk of over- or under-charging customers due to human errors by automating the removal of discounts and variable recurring billing calculations.

Automate your Marketplace in just 14 days!

Use the tools as building blocks to create business outcomes, enhance customer engagement, and increase revenue.
